SUPPLEMENT

With green-lipped mussel, glucosamine, vitamins, and antioxidants

Multifunctional, chicken-flavored chew with 8 benefits

A unique 8-in-1 supplement for dogs that supports full-body health. Antioxidants, vitamins, minerals, botanicals, and whole-food ingredients provide support for joints, immune system, heart, muscles, skin, and more. Hydrolyzed chicken flavor is appropriate for pets with protein sensitivities.

ABOUT THE INGREDIENTS:

- ▶ Supports joint health & mobility with GlycOmega™ green-lipped mussel, glucosamine, MSM, and HyaMax® hyaluronic acid.
- ▶ Promotes a healthy inflammatory response with CurcuVET® curcumin and Casperome® Boswellia phytosomes, both of which promote healthy, regulated inflammation.
- ▶ Supports normal performance and muscle recovery with N,N-Dimethylglycine HCl (DMG), which supports oxygen utilization and balanced levels of lactic acid, and manganese, which supports energy production and metabolism.
- ▶ Supports bone health & density with HyaMax® hyaluronic acid and manganese, which assist in the production of connective tissue.
- ▶ Powerful antioxidant support with CurcuVET®, LeucoSelect® grape seed extract, and Casperome®, which help neutralize free radicals and reduce oxidative stress.
- ▶ Supports skin & coat health with HyaMax® hyaluronic acid and Vitamin E, which both help to promote smooth, comfortable, moisturized skin.
- ▶ Promotes immune health with DMG, Vitamins C and E, and selenium, which all contribute to immune system function and resilience.
- ▶ Supports cardiovascular health with LeucoSelect®, a source of antioxidants and flavonoids, which may help support healthy heart rate and blood pressure.
