

# Eye Health SUPPLEMENT

## With Bilberry and Grape Seed Extracts and AstaReal® Astaxanthin

### Vision supplement to support clear, healthy eyes

This eye health supplement for dogs contains a blend of powerful antioxidants to support vision and promote lens and retina health. These nutrients also help manage common ocular problems. Small chews are easily broken into pieces. Hydrolyzed chicken flavor is appropriate for pets with protein sensitivities.

#### ABOUT THE INGREDIENTS:

- ▶ Bilberry extract is an antioxidant that supports the health and structure of the eye, including the retina and surrounding tissue. It also offers normal inflammatory properties to support healthy, comfortable ocular tissue.
- ▶ Grape seed extract acts as an antioxidant and helps to support the body's fight against free radicals. It helps to protect against oxidation and oxidative damage, supporting retinal health and function.
- ▶ AstaReal® natural astaxanthin is a carotenoid, a fat-soluble pigment, that supports the health of eyes, including the lens and retina. Astaxanthin is the third powerful antioxidant in this formula for dogs. Its benefits in regard to eye health and function are well-known, and it's a very popular ingredient to support healthy vision.
