

# Heart Health

## SUPPLEMENT

### With L-Carnitine, L-Taurine, and Hawthorn Berry

#### *Heart support supplement with vitamins, minerals, and amino acids*

A heart health supplement for dogs that combines effective ingredients into a palatable chew to help support the heart muscle, reduce oxidative stress, and promote the healthy utilization of oxygen within the cardiovascular system. Hydrolyzed chicken liver flavor is appropriate for dogs with dietary sensitivities.

#### ABOUT THE INGREDIENTS:

- ▶ L-Carnitine supports the metabolism of fat, which may help balance cholesterol and triglyceride levels, and promotes healthy heart energy.
- ▶ L-Taurine is a powerful heart-supporting ingredient. Along with providing antioxidant benefits, taurine supports a regular heartbeat and proper electrolyte balance and usage.
- ▶ Hawthorn Berry is a northern herb that has many medicinal properties. It's been shown to support heart health by promoting regular blood flow and circulation.
- ▶ Coenzyme Q10 (CoQ10) is a lipid-soluble antioxidant that may help strengthen the heart muscle, protect against oxidation, and help add oxygen to surrounding heart tissue.
- ▶ Arginine is an essential amino acid that helps support the immune system but may also help improve blood flow through the heart.
- ▶ Berberine supports cardiac function by reducing oxidative stress and helping to regulate blood pressure. Berberine may also help to improve mood and promote physical relaxation.
- ▶ Magnesium, Potassium, and Folic Acid support healthy heart rhythm, normal blood pressure and flow, and proper functioning of muscles within the cardiovascular system.

#### Product Facts:

##### Active Ingredients Per Chew:

L-Carnitine HCl	250 mg
L-Taurine	250 mg
Arginine	150 mg
Hawthorn (Crataegus oxyantha) Berry Extract	100 mg
Magnesium (Mg Oxide)	60 mg
N,N-Dimethylglycine HCl (DMG)	50 mg
Berberine (Hydrastis canadensis) HCl	50 mg
Coenzyme Q10	30 mg
Folic Acid	0.9 mg
Potassium (K Citrate)	0.1 mg

**Inactive Ingredients:** arabic gum, brewers yeast, calcium sulfate, canola oil, citric acid, citrus pectin, glycerin, hydrolyzed chicken liver flavor, maltodextrin, mixed tocopherols, oat flour, oat meal, propionic acid, rosemary extract, rye flour, silicon dioxide, sodium alginate, sorbic acid, soy lecithin, vegetable oil, water

#### DIRECTIONS FOR USE:

Give 1 chew per 30 lbs of body weight. If giving more than 1 chew daily, divide between AM & PM.

Available in 14oz (45 ct) jars.  
Suitable for all weight ranges.
