Freshen breath and reduce fecal odor with one chew

This daily supplement uses specially formulated ingredients to both help freshen breath and improve fecal quality in cats. The unique formula uses Champex™ Champignon Mushroom Extract.

LITTER BOX SUPPORT:

- ▶ Reduces fecal odor
- ▶ Reduces bad breath
- ▶ Helps maintain a clean condition within the intestines

ABOUT OUR INGREDIENTS

- Spirulina is a very good source of chlorophyll, a biomolecule that helps support healthy waste elimination with a beneficial deodorizing effect.
- Champignon Mushroom Extract (Champex™ brand) has been studied extensively for its ability to reduce odors and improve intestinal conditions. It has been shown to help reduce foul breath at the source in the intestines. Champex™ attacks foul breath and body odors where they originate, supporting and maintaining a clean condition within the intestines by suppressing the generation of foul chemicals.
- Yucca Schidigera Extract has been shown to reduce the intensity of fecal odor in cats by either altering the production or decreasing availability of hydrogen sulfide.

WHY BAD BREATH IN CATS:

There are two major causes of mouth odors. The first is decaying food debris between the teeth, on the mucous membrane, or in the esophagus. The second is when foul smelling compounds are absorbed from the intestinal tract into the blood and then exhaled from the lungs as stink.

WHY FECAL ODOR IN CATS:

More than 100 trillion bacteria exist in the intestines to help break down food and nutrients, however, they also create foul-smelling chemical by-products. For example, Welch bacillus and Escherichia coli help breakdown proteins and fats, and this process creates foul odors.

Product Facts:

Active Ingredients Per 1 Chew:

Spirulina	100 mg
Yielding: Chlorophyll	2 mg
Champignon Mushroom Extract (Champex™ brand)	30 mg
Yucca schidigera Extract	10 mg

Inactive Ingredients: brewers yeast, calcium sulfate, canola oil, chicken liver flavor, citric acid, fenugreek, glycerin, maltodextrin, mixed tocopherols, propionic acid, rosemary extract, silicon dioxide, sodium alginate, soy lecithin, vegetable oil.

DIRECTIONS FOR USE:

Give 2 chews daily.

For best results use daily and give between meals.

Available in 8oz (70 ct) and 14oz (150 ct) jars.
Suitable for all weight ranges.
